

# Virtual Opportunity For Schools And Businesses

Martial Arts, Dance, Gymnastics, or any other Organized Activity School Owners...here, at Virtual Competitions, job one is to empower you, the school owners, to make you realize that your life is going to be different because you made this decision today.

We have just released our Bonus program for Business Owners. What a game changer this is going to be! Just think, if you are an owner and run events on the Virtual Competitions Platform, you are already making big money from your events by charging entry fees, selling rotating banner ads and soon by monthly subscriptions to your online video classes. We like doing business with professionals that like to think outside the box. Find the magic in what you do! Join our Virtual Competitions Bonus Program and receive annual bonuses paid to owners. Our bonus program is robust, paying thousands of dollars (see below” to each owner annually). I have included a video for you to watch that will help you understand how the annual bonus works. By Taking Action Today includes some added benefits, they are all in column 2 below. <https://tinyurl.com/yandaqxh>
